

# Ashburton College

*Individual Excellence in a Supportive Learning Environment*

## 2026 Year 9 enrolments now being accepted

**The first step is to complete an online enrolment**, or if unable to do this, an enrolment card can be collected from Ashburton College. **To complete an online enrolment** please go to the Ashburton College website or you can go directly to: [ashcoll.school.kiwi/enrolment](https://ashcoll.school.kiwi/enrolment)

**The online enrolment needs to be completed, or the manual enrolment card needs to be handed back to your Year 8 school office, or the College office, by Friday 13 June 2025**

Year 9 students at Ashburton College take a full year programme in English, Mathematics, Science, Social Studies and Health & Physical Education. At times there will be some curriculum integration, as teachers across these subjects work together to plan the learning for their class.

All Year 9 students will study up to nine other subjects which they will select. The subject choices available are:

- **Arts:** Art, Dance, Drama, Music
- **Languages:** German, Japanese, Māori, Māori (full year course), Chinese/Mandarin, English as an Additional Language (for those students whose first language is not English, who may require extra help)
- **Technology:** Design & Visual Communication, Digital Technology, Food & Nutrition, Fabrics, Product Design (Hard Materials)
- **Social Science/English:** Money Management, Pasifika Voices, Media & Journalism
- **Science:** Agriculture
- **Learning Extension & Enrichment Programme:** this course runs for the full year and would benefit a child that is gifted or talented, in a particular skill or area. This does not need to be school related.

**For any queries or further information, please contact the College Office**
